Subj: Marine Corps League Endorsement

George,

The Marine Corps League National Board of Trustees has voted to provide this endorsement for Homecoming 250 Navy Marine Corps, a 501c3 non-profit organization.

2025 will offer an incredible opportunity for celebration in Philadelphia, Pennsylvania and Camden, New Jersey in creative reflection of the United States Navy and the Marine Corps and their 250th anniversaries. From historic Carpenter's Hall to the remarkable Independence Hall and the Tun Tavern Historical Marker to Maj Samuel Nicholas' resting place; there is foundational history to be experienced in Philadelphia. The Marine Corps League is proud to endorse the efforts of Homecoming 250 Navy Marine Corps to bring a celebration to Philadelphia and Camden in 2025.

Sincerely,

Warren Griffin
National Commandant/CEO
