Dear Mr. Hill,

We are the current Presidents of the New Jersey Society of the Sons of the American Revolution (NJSSAR) and the Pennsylvania Society of the Sons of the American Revolution (PASSAR). We received a copy of your email to Robert Meyer Vice President General of the Sons of the American Revolution seeking support for your project known as “Homecoming 250 Navy Marines” celebrating the Semiquincentennial of the birth of the Navy and Marine Corps. While your email did not layout any specific requests for support, we would like you to know we support your project, and would be interested in learning more as to how we and our Societies can help sponsor these events.

For your information, the NJSSAR currently has approximately 750 members statewide and the PASSAR has 1,767 members statewide, as of August 2021. Both Societies have uniformed color guards that could be turned out for the events in October 2025. We could also possibly provide some manpower at the sites of the events.

We look forward to hearing back from you regarding the project and how our Societies can provide support.

Sincerely,

Andrew L. Lick  
PASSAR President
